Ken's Story

Ken's Story

“One of the most painful and vulnerable things I did under your guidance was to face my sexual fantasies—which for me meant going to the **darkest levels** of my porn viewing.”

Ken's Story

“I discovered that my holy longing was simply to feel **ACCEPTED** and **CONNECTED!** I also had a desire to be naked (and found as many opportunities as possible), which turned out to be a holy longing to pull down my façade, my curtains, my layers and layers of constructed coverings, and be **HONEST** and **VULNERABLE!**”

Ken's Story

“I have enjoyed **six months** of sobriety and sanity. I am beginning to experience true sexuality and sensuality. I don't push it; I just allow it to settle upon me as a gift from God. **It has been wonderful.**”

Your Commitment:

I will **target** one sexual fantasy
so I can finally face it, trace it,
and discover my desires.
